Custom front security door, surround speakers, 2 solar tubes, a built-in media center with fireplace, not to mention the accents in every room that were hand-picked by a professional designer. All appliances were replaced in 2024 and convey, including the washer/dryer. The split floorplan features 3 bedrooms plus a den with built-in desk, and 2 full baths. The master bedroom is 20' x 16' with a bay window, so it is very spacious, and the crown molding adds an elegant touch. Beautifully landscaped backyard with pavers and artificial turf.
